

1. How Air1 serves you as a resident of the local community.

Air 1 is a family friendly positive influence in our community. You do not have to worry about your kids listening because it is clean of profanity.

2. The effect on the local community if Air1 were to be displaced by an LPFM broadcaster providing other programming.

Air 1 fills a void that is otherwise not met, that void is Christian perspective. We have profanity, sexuality, rock & roll, etc; but without Air1 a Christian perspective is not met.

3. Why you believe that the service provided by Air1 is in the public interest.

I believe that Air1 offers quality music that is uplifting, regardless of who you are. I know people that simply like the music, regardless of their religious background. Air1 allows people to have a venue to get refreshed.
